# O ICOM

**VHF MARINE TRANSCEIVER** 

# IC-M87 ATEX

IPx7

MIL-STD 810

# **INTRINSICALLY SAFE VERSION**

# **ATEX Intrinsically Safe Marine Radio**

# **ATEX Intrinsically Safe Type Approval**

The IC-M87 ATEX and designated options are certified to the ATEX Directive. It is suitable for use in hazardous areas where flammable gasses or liquids are used such as petroleum tankers and bulk cargo carrier.

# The approved rating is **II2G Ex ib IIA T3 Gb.**

Special conditions for use: Must be used with **BP-227AX** 

When the transceiver is used in hazardous areas, either the jack cover or HM-138 must be attached to the connector. Ambient operating temperature:  $-20^{\circ}$ C to  $+55^{\circ}$ C EN 60079-0: 2012 + A11: 2013, EN 60079-11: 2012

# IPX7, Waterproof Construction

The IC-M87 ATEX is built tough to withstand hazardous and unhospitable environments at sea and on land. Even if the IC-M87 ATEX is dropped into water, the IPX7 waterproof construction will protect it from harm (1 m depth for 30 minutes). The compact and durable body also has been tested to US. military specifications (MIL-STD 810).

# Li-ion Battery for Extra Long Battery Life

With the standard 1950 mAh (typ.) rechargeable Li-ion battery pack, BP-227AX, the IC-M87 ATEX allows you up to 19 hours of operating time.\* \* Typical operation; Tx: Rx: Stand-by duty ratio = 5:5:90

# 22 Programmable Channels for PMR Use

The IC-M87 ATEX has 22 programmable channels for PMR use (146– 174 MHz). Wide/narrow channel spacing is programmable for each channel, and CTCSS and DTCS signaling is built-in. \*Appropriate license will be required.

# **Built-in Voice Scrambler**

ROA

AKER-MICHO

The IC-M87 ATEX has a built-in 32 code voice scrambler. The voice scramble is compatible with the UT-112 which is adopted to some Icom marine radios.

# Optional Waterproof Speaker-Microphone, HM-138

An optional waterproof speaker-microphone, HM-138, provides reliable operation, allowing you to wear the IC-M87 ATEX on your belt for added portable convenience.

**ICOM** 

# C-M87 ATEX

# **Additional Features**

- Simple Up/Down buttons for operating channel selection
- · Instant access to Ch. 16 and call channel
- Simple add/delete TAG scanning operation Automatic scan function

# **SPECIFICATIONS**

### Supplied accessories:

 Battery pack, BP-227AX
 Battery charger, BC-152N
 AC adapter, BC-147SE\*
 Swivel belt clip, MB-86
 Antenna, FA-S59V
 Hand strap (\* AC adapter is not supplied depending on version.)
